N4-AH Extra Support & Tuition for your Child in S4-S6

Easter School

On the next pages you will see details of all opportunities that are on offer to your young people in S4, S5 and S6. This includes details of support during and after school, immersion days often immediately before the exams, online supports as well as details of the Easter School programme.

It is imperative that any young person who wishes to attend should let their teachers know in advance of the session.

Immersion days programme.

These days typically taking place on the day immediately before the exam provide an opportunity for your young person to have intensive time with their teacher to help them perform to the best of their ability come exam day.

Online Supports – E-sgoil

In addition to the school supports there is a national programme of tutorials offered through e-sgoil (A nationwide community for online learning and teaching). Registration for their Easter Support Webinars is now open. Click here to find out more. <https://www.e-sgoil.com/senior-phase/easter-study-support/>

Online Supports -Achieve Hashtag App

We have purchased a superb programme that will support all young people sitting National 5 and Higher courses. The programme provides course notes, revision tools, past paper questions and answer grids. Each young person in S4-S6 can log on via a secure code available from any of their teachers.

Study Leave

Study leave for young people in S4, S5 and S6 begins on Monday the 22nd of April and finishes on Friday the 31st of May. All young people are welcome to come into the building during this time (in uniform) to make use of the study space, wifi, canteen etc.. Teachers will also be available to support them during their usually timetabled periods.

EASTER SCHOOL

The school will be open during the Easter break. Attending students should notify their teachers of their intention to attend. They should sign in and out of the building. There is no requirement to wear school uniform. Please note canteen facilities will not be available.
