## **Raising Attainment Programme: Extra Support & Tuition for S4-S6 Students**

### **Easter School**

On the following pages, you'll find details of the various opportunities available to students in S4, S5, and S6. This includes support options both during and after school, immersion days, online resources, and information about our Easter School programme.

It's essential that any student wishing to participate in these sessions informs their teachers in advance.

### **Immersion Days Programme**

Immersion days, typically held the day before exams, provide students with intensive support from their teachers to help them perform to the best of their abilities on exam day.

### **Online Supports – E-sgoil**

In addition to in-school support, students can access a national programme of online tutorials via **e-sgoil**. This online community offers a variety of learning and teaching resources. Registration for their Easter Support Webinars is now open. Click here to learn more: [E-sgoil Easter Study Support](#).

### **Online Supports – Achieve Hashtag App**

We've also purchased a fantastic online tool for students in S4-S6 taking National 5 and Higher courses. The **Achieve Hashtag App** offers course notes, revision materials, past paper questions, and answer grids. Each student can log on using a secure code available from their teachers.

### **Study Leave**

Study leave for most students sitting two or more exams in S4, S5, and S6 will begin on **Monday, April 27th** and end on **Friday, May 29th**. For students sitting Geography study leave will begin on **Wednesday, April 22nd**.

Students sitting fewer than two exams will be enrolled in our **Inspiring Young Minds Programme**, which will run throughout April and May.

During study leave, students are welcome to come into school (in uniform) to use study spaces, Wi-Fi, the canteen, and receive support from their teachers during scheduled periods.

We encourage all students to take full advantage of these support opportunities

**The school will be open during the Easter break. Attending students should notify their teachers of their intention to attend. They should sign in and out of the building. There is no requirement to wear school uniform. Please note canteen facilities will not be available.**

# EASTER SCHOOL

Monday 6<sup>th</sup> April

Time	Subject	Level	Location
9.00-12.00/ 12.30-3.30	Biology	All levels	School
9.00-12.00	Graph Comm	N5	School
12.30-3.30	Graph Comm	H	School
9.00-12.00 12.30-3.30	Geography	H/AH	School
