

Dear Parent/Carer,

This week has seen lots of happy memories being made through a range of events and opportunities (photos below). As always, I am very grateful to the staff who go above and beyond to make these things happen and would also like to thank our Parent Partnership members for their ongoing support.

Welcoming our new P1 parents on Wednesday evening then celebrating with our Senior Phase leavers last night brought a range of emotions from both parents and staff, and reinforced the fantastic privilege we have at the Campus, in working with your children across all stages of their education.

We are looking forward to our transition days next week, where we will welcome the children from Ancrum and Denholm who are joining us in August.

We are also hoping the weather holds out for our Sports Days. Parents/carers of secondary children are welcome to join us from 9.15am on Friday at the Spider Park and pupils will be dismissed from there unless parents request otherwise.

Primary parents/carers will receive separate communications detailing arrangements for each year group/stage.

Wishing you lovely weekend.

Learning Without Limits

P2/P7 Buddies

This week during Buddy Time, P7 Sports Leaders set up team games for all to enjoy in the beautiful sunshine!

Inspire Learning Festival 2023

P6s had a fun day at Springwood Park on Tuesday and then P7 pupils Ethan Douglas and Erin Scott attended on Thursday with Mr Johnston and Mrs Seaton, to share their digital expertise with a range of attendees from Scottish Borders and further afield. Rebecca Hill (S3) and Stefani Holliday (S6) were also great ambassadors for the school in their support role at the Festival.
